

Information about Important Linguistic and Intercultural Experiences

This is the place for you to give (more in detail than on the "Personal Language Learning Biography" page) information about important intercultural experiences and activities which have contributed to widening your knowledge of other countries and the people, society and culture of foreign language areas. The information can be organised as you wish: separated according to language, or chronologically.

Intercultural experiences (encounters with the country, culture and speakers of the language).

Other activities which have contributed to a greater knowledge of the society and culture (art, music, literature, history, media, etc.).

Practical use of the language in specific situations (work, study, school, free time, with friends and acquaintances).

Important pieces of work and projects in a foreign language.
